April is National Donate Life Month. Last year in Nebraska more than 1000 heroes gave the gift of life through organ, tissue and eye donation. Still, there are more than 300 people in Nebraska and 100,000 throughout the U.S. waiting for a lifesaving organ transplant. You can make a difference by registering as a donor today at LiveOnNebraska.org/ref/DLM20. #DonateLife

Did you know the little red heart on your driver's license means you could save and heal up to 100 people through organ and tissue donation? April is National Donate Life Month and a great opportunity to give hope to the 300 Nebraskans and 100,000 Americans waiting for a lifesaving organ transplant. Don't have the heart on your license? You can register as a donor today at LiveOnNebraska.org/ref/DLM20.
